

## CourseCompass

You have access to a OneKey course through CourseCompass. The access code for this is bundled in your new textbook.

OneKey gives you access to premium (protected) resources, like *ActiveBooks* and *Research Navigator*. You need the access code from the book to register to this service. You will need to log in to your instructor's course and then register the OneKey code.

**An important part of being able to access the ActiveBook** (online eBook version) of your textbook is that you must allow cookies in your browser.

## when you lose your password

> there is a lost your password reminder below the OneKey log in screen.

## buy an access code

> purchase the access card at the bookstore. eCommerce on this product is available later in 2006.

### What you'll need:

- A valid email address
- Your CourseCompass course ID (get this from your instructor)
- OneKey Student Access Kit

## Redeeming Your Access Code

1. [Go to the CourseCompass website](#) and click "Register" under "Students".

2. If you have a OneKey Student Access Kit, click "Next". Otherwise, you can purchase online access by clicking that option.

3. Complete the required information (course ID, e-mail, etc.) to create your student account and enroll in the CourseCompass course.

4. After you complete the process, you will receive a confirmation e-mail that contains login, password and other access information.

You're Ready to use your OneKey Premium Resources!

From now on when you log in to your CourseCompass course, you'll be automatically approved for access to all the great OneKey resources within your course.
